Spent 12 years putting Whitney on a pedestal. I'd come home from work with flowers etc. You know the small things out of the blue or take her to the Garden or Mon Ami etc. And she'd always say thanks and then immediately place the flowers on the floor next to her or want to argue after leaving the restaurant because I left to big a tip for the waitress or complain about the food.
Angela TrimbleThursday, November 6, 2014 at 11:35am EST

I still love him..not in love anymore..I support him..he keeps saying he's going to help..I dnt see it happening...he knws I have a good job...and tht I will be thr..thts why I have felt like his mom instead of girlfriend

Will WrightMonday, November 3, 2014 at 5:44pm EST

Will WrightMonday, November 3, 2014 at 5:41pm EST

Angela TrimbleMonday, November 3, 2014 at 4:25pm EST

What? Lol
Will WrightMonday, November 3, 2014 at 4:25pm EST

I get my bus ticket Friday. There was a complication with them wanting to charge more. My mom fixed it.
Hell yeah! Lol Awww... Bet. Look at how gorgeous you are.
Angela TrimbleMonday, November 3, 2014 at 4:23pm EST

Yeah she was cute..they looked good together
Will WrightMonday, November 3, 2014 at 4:20pm EST

He had a gf? He must've really fell deep head over heels for your mom. Prolly showed all his pals her pic.
Will WrightMonday, November 3, 2014 at 4:19pm EST

Lmao.
Will WrightMonday, November 3, 2014 at 4:19pm EST

Angela TrimbleMonday, November 3, 2014 at 4:18pm EST

My parents did..
Will WrightMonday, November 3, 2014 at 4:17pm EST

Hell yeah. Letters are always cool. And will always be. Def. believe in falling in love like that.
Angela TrimbleMonday, November 3, 2014 at 4:15pm EST

I mean I think people can definetly fall for each other over letters..or phn..my parents did in the 60s...my dad was in the army and my mom wrote him and tht was it...lol
Will WrightMonday, November 3, 2014 at 4:15pm EST

Lol. Was just trying to sound... Lol nevermind. You know what I mean. What guy wouldn't want a hot girl?
Will WrightMonday, November 3, 2014 at 4:13pm EST

Very much so. I agree. Can't have a relationship without being attracted
Angela TrimbleMonday, November 3, 2014 at 4:13pm EST

I mean I get it but if ur physically attracted to it much better...lol
Angela TrimbleMonday, November 3, 2014 at 4:12pm EST

Yeah i guess
Will WrightMonday, November 3, 2014 at 4:11pm EST

The hot part is a bonus, its the other things like having so much in common etc. that mean the most
Will WrightMonday, November 3, 2014 at 4:09pm EST

I hope she's all that. That's all I ever really wanted..
Will WrightMonday, November 3, 2014 at 4:08pm EST

Don't get me wrong. I really loved Whitney. Put her on a pedestal as all guys should do. And worked my ass off to have our house 2 cars and everything she wanted. But the whole thinking it was a competition. Really was screwed up. She liked it when I acted like a simpleton. But the moment I showed any kind of talent she hated it. Never made sense to me.
Angela TrimbleMonday, November 3, 2014 at 4:06pm EST

Im sure...hopefully she's hot and shares a lot of intersts with u..
Will WrightMonday, November 3, 2014 at 4:01pm EST

What's odd? I'm sure I will, hopefully. Lol.
Angela TrimbleMonday, November 3, 2014 at 4:00pm EST

Hmm...thts odd..well im sure u will figure it out..and find someone u want to be with
Will WrightMonday, November 3, 2014 at 3:58pm EST

I mean what happens when your stuck together at 70+ and the physical isn't there as much. And you have nothing to talk or relate about. Lmao
Will WrightMonday, November 3, 2014 at 3:56pm EST

But there was never real fluid conversations with a lot of girls. Just a lot of physical Errr. Stuff. Lmao
Will WrightMonday, November 3, 2014 at 3:54pm EST

I dunno. More or less Whitney loved me because I did crazy things, and sang like Kurt. She had a some things in common with me. Plus I made her laugh. But she thought of our relationship as a competition. She liked me having bands but then when it startedbgetting serious. She got pissed.
Angela TrimbleMonday, November 3, 2014 at 3:49pm EST

Right. ...
Will WrightMonday, November 3, 2014 at 3:48pm EST

Not really. I mean not lots in common. A lot talked about things I never ever wanted to talk about or bored me. Lol
Angela TrimbleMonday, November 3, 2014 at 3:44pm EST

So have u ever had a lot in common with any girl u dated
Angela TrimbleMonday, November 3, 2014 at 3:40pm EST

Well thrs a first for everything...lol
Will WrightMonday, November 3, 2014 at 3:32pm EST

Angela TrimbleMonday, November 3, 2014 at 3:20pm EST

Will WrightMonday, November 3, 2014 at 2:56pm EST

Will WrightMonday, November 3, 2014 at 11:06am EST

Her boyfriends almost always tried to get my approval. That'd tick her off a little too.

Will WrightMonday, November 3, 2014 at 11:03am EST

Lol. I was always the older brother pestering my sister about hooking me up with one of her friends. It'd piss her off so bad. Hung out with Joy a lot. We do know a lot of the same ppl.

Angela TrimbleMonday, November 3, 2014 at 10:57am EST

I knew joy but no never hung out with her...and amanda I knew thru highschool..I liked jacob a lot before they got together. ...lol

Will WrightMonday, November 3, 2014 at 10:55am EST

Port Clinton seems so very small now compared to the cities I've been to the past year. Even Sandusky seems so much smaller. Lol That's cool.. Railroad tracks are always fun. That might explain how you ended up friends with Amanda. She was right around the corner at her parents photo biz. Did you ever hang out with Joy Taylor? She lived round corner too?

Angela TrimbleMonday, November 3, 2014 at 10:52am EST

Will WrightMonday, November 3, 2014 at 10:21am EST

Damn. Yeah it really sucks what happened to him. We used to hang out in Dougs basement. At the time I drank and smoked weed. He wasn't big on smoking pot for some reason. So we tended to butt heads every now and then. And then of course I was raising Alexander. That didn't help make things ok either. Never knew you and your fam knew him that well. Jay and me might have got into it a few times, but he didn't deserve what happened. Its a complete shame.

Angela TrimbleMonday, November 3, 2014 at 10:02am EST

Thts crazy..i had known jay all my life..he was one of my brothers good friends. .it sucks what happened to him...my sister actually went to his funeral. .I probably should have went
